An update was provided regarding the pool. The last day was last weekend. A meeting will be held to debrief from the season and to see what went well and what needs improved on for next season. We may look at possibly adding an incentive for guards who work the entire season and moving the start of lessons back a couple of weeks so that lessons go into August. Overall, it was a good and successful season.

A brief discussion was held regarding painting the shelter and roof of the shelter at the Community Park. We will discuss this at budget time and get it done next fiscal year. Chairman Boffeli commented that Hometown Days was a great event again this year.
