Re: Vicious Dog Ordinance

Since I have been here, I have had a number of people with concerns about the fact that we have specific breeds of dogs called out that are banned in Cascade. Back last August I reached out to Lynch Dallas and received legal advice that it was advised to only list animal behavior versus a breed. The State has been attempting to ban this type of ordinance but had not yet passed it at that time. The legislature is again looking to pass this law and appears to have gotten through the house. A few weeks ago, Tracie Delarm came in after purchasing a puppy that is on the list. She will be coming to the meeting and speaking under Public Comment. Since I had already planned to bring this ordinance to the Council, I have also added it for discussion. The Council can decide if you would like me to bring back a draft ordinance that no longer lists the breeds. I have included the existing ordinance we have.

4-1-1 DEFINITIONS.

For use in this chapter the following terms are defined as follows:

- 1. The term "dogs" shall mean animals of the canine species whether altered or not.
- 2. The term "at large" shall mean any licensed or unlicensed animal found off the premises of the owner and not under the control of a competent person, restrained within a motor vehicle, housed in a veterinary hospital or kennel, on a leash or "at heel" beside a competent person and obedient to that person's command.

3. The term "owner" shall mean any person owning, keeping, sheltering or harboring an animal.

4-1-2 LICENSE.

- 1. Annual License Required. Every owner of a dog over the age of six (6) months shall procure a dog license from the Police Department on or before the first day of July of each year. The form of the application shall state the breed, sex, age, color, markings, and name, if any, of the dog, and the address of the owner and shall be signed by the owner. The application shall also state the date of the most recent rabies vaccination, the type of vaccine administered and the date the dog shall be revaccinated.
- 2. Fee. The annual license fee for each male dog, for each female dog, and for each spayed dog shall be set by resolution by the City Council.
- 3. License Records. Upon payment of the license fee, and providing proof of a current vaccination against rabies, the Police Department shall issue to the owner a license which shall contain the name of the owner, the owner's place of residence and a description of the dog. The Police Department shall keep a duplicate of each license issued as a public record, which will show:
 - a. The serial number and date of each application for a license.
- b. The description of the dog as specified in the application, together with the name of the owner of the dog.
- c. The date when each license tag is issued and the serial number of each tag, the date of the most recent rabies vaccination, the type of vaccine administered, and the date the dog shall be revaccinated.
 - d. The amount of all fees paid.
 - e. Such other data as may be required by law.
- 4. License Tags. Upon issuance of the license, the Police Department shall deliver or mail to the owner a metal tag stamped with the number of the license and the year for which it is issued. The license tag shall be securely fastened to a collar or harness which shall be worn by the dog for which the license is issued.
- 5. Delinquency. All license fees shall become delinquent on the first day of July of the year in which they are due and a delinquent penalty of one dollar (\$1.00) shall be added to each unpaid license on and after said date.

A license issued for one dog shall not be transferable to another dog. Upon the expiration of the license the owner shall remove said tag from the dog. Any dog found running at large without the license tag attached to its collar or harness shall be deemed unlicensed.

- 6. Duplicate Tags. Upon the filing of an affidavit that the license tag has been lost or destroyed, the owner may obtain another tag from the Cascade Police Department. The Police Department shall enter in the license record the new tag number assigned. The fee for duplicate tags shall be established by resolution of the Council.
- 7. Transfers of Licensed Dogs. Upon transfer of a licensed dog into the City, the owner shall surrender the original license tag to the Police Department. The Police Department shall preserve the surrendered tag and, without a license fee, issue a new license tag, provided that proof of registration and rabies vaccination is shown.

4-1-3 IMMUNIZATION.

All dogs six (6) months or older shall be vaccinated against rabies. Before issuance of the license the owner shall furnish a veterinarian's certificate showing that the dog for which the license is sought has been vaccinated, and that the vaccination does not expire within six (6) months from the effective date

of the dog license. It shall be a violation of this Ordinance for any dog to not be vaccinated against rabies. A tag showing evidence of proper vaccination shall be worn by every dog when not confined.

(Code of Iowa, Sec. 351.33)

- 3. Dangerous Animals Exceptions. The keeping of dangerous animals shall not be prohibited in the following circumstances:
- a. The keeping of dangerous animals in a public zoo, bona fide educational or medical institution, humane society, or museum where they are kept as live specimens for the public to view, or for the purpose of instruction, research or study, and has obtained the written approval of the City Council.

4-1-8 SEIZURE, IMPOUNDMENT AND DISPOSITION OF DANGEROUS ANIMALS.

- 1. In the event that a dangerous animal is found at large and unattended upon public property, park property, public right-of-way or the property of someone other than its owner, thereby creating a hazard to persons or property, such animal may, in the discretion of the Animal Control Officer, be destroyed if it cannot be confined or captured. The City shall be under no duty to attempt the confinement or capture of a dangerous animal found at large, nor shall it have a duty to notify the owner of such animal prior to its destruction.
- 2. Upon the complaint of any individual that a person is keeping, sheltering or harboring a dangerous animal on premises in the City, the Animal Control Officer shall cause the matter to be

investigated and if after investigation, the facts indicate that the person named in the complaint is keeping, sheltering or harboring a dangerous animal in the City, the Animal Control Officer shall order the person named in the complaint to safely remove such animal from the City, permanently place the animal with an organization or group allowed under Section 56.01 of this chapter to possess dangerous animals, or destroy the animal, within three (3) days of the receipt of such order. Such order shall be contained in a notice to remove the dangerous animal, which notice shall be given in writing to the person keeping, sheltering or harboring the dangerous animal, and shall be served personally or by certified mail. Such order and notice to remove the dangerous animal shall not be required where such dangerous animal has previously caused serious physical harm or death to any person, in which case the Animal Control Officer shall cause the animal to be immediately seized and impounded or killed if seizure and impoundment are not possible without risk of serious physical harm or death to any person.

- 3. The order to remove a dangerous animal issued by the Animal Control Officer may be appealed to the Council. In order to appeal such order, written notice of appeal must be filed with the Clerk within three (3) days after receipt of the order contained in the notice to remove the dangerous animal. Failure to file such written notice of appeal shall constitute a waiver of right to appeal the order of the Animal Control Officer.
- 4. The notice of appeal shall state the grounds for such appeal and shall be delivered personally or by certified mail to the Clerk. The hearing of such appeal shall be scheduled within seven (7) days of the receipt of notice of appeal. After such hearing, the Council may affirm or reverse the order of the Animal Control Officer. Such determination shall be contained in a written decision and shall be filed with the Clerk within three (3) days after the hearing or any continued session thereof.
- 5. If the Council affirms the action of the Animal Control Officer, the Council shall order in its written decision that the person owning, sheltering, harboring or keeping such dangerous animal remove such animal from the City, permanently place such animal with an organization or group allowed under Section 56.01 to possess dangerous animals or destroy it. The decision and order shall immediately be served upon the person against whom rendered in the same manner as the notice of removal. If the original order of the Animal Control Officer is not appealed and is not complied with within three (3) days or the order of the Council after appeal is not complied with within three (3) days of its issuance, the Animal Control Officer is authorized to seize and impound such dangerous animal. An animal so seized shall be impounded for a period of seven (7) days. If at the end of the impoundment period, the person against whom the decision and order of the Council was issued has not petitioned the District Court for a review of said order, the City shall cause the animal to be disposed of by sale, permanently place such animal with an organization or group allowed under Section 56.01 of this chapter to possess dangerous animals or destroy such animal in a humane manner.

IEDA's address is 1963 Bell Avenue, Suite 200, Des Moines, Iowa 50315.
 - 3.2 **RECIPIENT** The **City of Cascade** is an Iowa city located at 320 1st Ave West, Cascade, IA 52033.

ARTICLE 4 FUNDING

- 4.1 **FUNDING SOURCE** The source of funding for the award is funds legally available to the Board in the Community Attraction and Tourism Fund established pursuant to Iowa Code Section 15F.204. The funds of the State of Iowa, other than those of the CAT Fund, are not obligated or available to meet any obligations of the Board created by this Agreement, and this Agreement shall not constitute an obligation or debt of the Board or the State except to the extent expressly described herein from funds on hand that are legally available for such purposes.
- 4.2 **RECEIPT OF FUNDS** All payments under this Agreement are subject to possession by the Board of sufficient funds for the CAT Program. Any termination, reduction, or delay of CAT funds to the Board may, in the Board's sole discretion, result in the termination, reduction, or delay of CAT funds to Recipient and/or termination of this Agreement.

ARTICLE 5 TERMS OF GRANT

- 5.1 GRANT The Board shall make a Grant up to the amount first stated herein to Recipient to assist in financing the Project, all subject to Iowa Code Chapter 15F, the Board's administrative rules (261 Iowa Administrative Code Chapter 211), and the terms and conditions of this Agreement. A copy of Recipient's CAT Application describing the Project is an integral part of this Agreement and marked as Exhibit A.
- 5.2 <u>MAXIMUM PAYMENTS</u> It is expressly understood and agreed that the maximum amount to be paid to Recipient for Project activities shall conform to the budget as presented in the Program Description and Budget (Exhibit B). It is further understood and agreed that the total of all payments to Recipient for Project activities shall not exceed the Grant funds unless the amount is modified by written amendment of this Agreement.
- 5.3 <u>USE OF FUNDS</u> Recipient hereby agrees to construct and operate the Project as described in its CAT Application (Exhibit A) and the Project Description and Budget (Exhibit B). Recipient shall maintain the Project in accordance with the representations in Exhibits A and B during the term of this Agreement. Recipient shall allow the Board, its internal or external auditors, IEDA, the Auditor of the State of Iowa, the Treasurer of the State of Iowa, the Attorney General of the State of Iowa, and the Iowa Division of Criminal Investigations to inspect the Project facilities at all reasonable times to monitor and evaluate performance with Iowa law and the terms of this Agreement.
- 5.4 ACCOUNTING RECORDS Recipient shall maintain its books, records, and all other evidence pertaining to this Agreement in accordance with generally accepted accounting principles and such other procedures specified by the Board. Recipient shall account for all activity pertaining to the Agreement in a distinct and separate category within its accounting system. These records shall be available to the Board, its internal or external auditors, IEDA, the Auditor of the State of Iowa, the Treasurer of the State of Iowa, the Attorney General of the State of Iowa, and the Iowa Division of Criminal Investigations at all times during the duration of the Agreement and any extension thereof, and for three (3) years after the Agreement End Date.
- 5.5 **<u>DOCUMENTATION</u>** Within ten (10) days of receipt of a written request from the Board, Recipient shall deliver to IEDA,
 - (i) Copies of all agreements or documents relating to the Project;
 - (ii) Copies of all invoices, receipts, statements, or vouchers relating to the Project;
 - (iii) A list of all unpaid bills for labor and materials in connection with the Project; and
 - (iv) Budgets and revisions showing estimated Project costs and funds required at any given time to complete and pay for the Project.

Recipient shall be bound by Section 5.5 from the Effective Date to the date three (3) years after the Agreement End Date.

5.6 <u>COST VARIATION</u> In the event that the actual total Project Cost is less than the amount specified in Exhibit B of the Agreement, the Grant funds shall be reduced by the same ratio as the actual total Project Cost divided by the total Project Cost listed in Exhibit B. Any reimbursed excess above the reduced Grant funds amount shall be returned to IEDA.

Example:

If the total amount spent to complete the project is less than the total Project Cost specified in Exhibit B of the Grant Agreement, the Board or IEDA shall calculate the amount of Grant funds to be returned as follows: first, the total amount spent to complete the project is subtracted from the total Project Cost listed in Exhibit B to determine the change in Project Cost. Second, the change in Project Cost is divided

by the total Project Cost listed in Exhibit B. Third, this percentage is multiplied by the original Grant award. The product is the amount of the Grant award that Recipient shall return to IEDA.

Numbers from Exhibit B of the Agreement

- The funded project had a total project cost listed in Exhibit B of \$1,000,000
- The funded project had a total Grant funds listed in Exhibit B of \$200,000

Completed project numbers

• The project, when completed, had a total cost of \$900,000

Calculation of the amount to be returned

- 1. The actual total Project Cost (\$900,000) is subtracted from the total Project Cost listed in Exhibit B (\$1,000,000). This amount equals \$100,000.
- 2. \$100,000 divided by \$1,000,000 equals 10%.
- 3. 10% multiplied by \$200,000 equals \$20,000. Recipient shall return \$20,000 to IEDA.
- 5.7 **PRIOR COSTS** No expenditures made prior to the Effective Date may be included as Project Costs for the purposes of this Agreement.
- 5.8 <u>CONVEYANCE OF PROJECT PROPERTY</u> From the Effective Date to the date three (3) years after the Agreement End Date, Recipient shall not sell, transfer, convey, assign, encumber, or otherwise dispose of all or any portion of the Project property as described in Exhibit A without the written permission of the Board. Permission may be withheld in the sole discretion of the Board.

Should the Board grant permission to Recipient to sell, transfer, convey, assign, encumber, or otherwise dispose of any Project property, Recipient shall repay the full amount of the Grant award plus a pro-rata share of the profits realized by the sale of the Project property. The percentage of profit to be allocated to the Board shall be commensurate with the financial assistance contributed to the Project by the Board. The Board may waive its right to reimbursement, in whole or in part, if the Board determines, in its sole discretion, that the public interest would best be served thereby.

ARTICLE 6 CONDITIONS TO REIMBURSEMENT AND DISBURSEMENT OF FUNDS

- 6.1 <u>CONDITIONS TO REIMBURSEMENT</u> All of the following conditions shall be met before IEDA disburses Grant funds to Recipient:
- (a) <u>AGREEMENT EXECUTED</u> This Grant Agreement shall be properly executed and returned to the Board within forty-five (45) days of the Board's transmittal of the final Agreement to Recipient.
- (b) <u>BINDING FINANCIAL COMMITMENTS</u> Recipient shall obtain, to the satisfaction of the Board, all other legally binding financial commitments necessary to complete the Project. Failure to secure and submit documentation of such commitments to IEDA by July 5, 2023 may result in the rescission of the award and termination of this Agreement.
- (c) <u>SUBMISSION OF RECIPIENT DOCUMENTATION</u> Prior to making any distribution of Grant funds, Recipient shall have submitted the following documents to IEDA:

For City/County recipient:

- (i) A resolution of the City Council authorizing the execution and delivery by Recipient of this Agreement and such other documents as the Board or the Board's legal counsel may reasonably request and specifying the officer(s) authorized to execute the Agreement and such other documents that are necessary to bind Recipient.
- (ii) Evidence acceptable to the Board or the Board's legal counsel of all other funding sources that have been committed to this Project.
- (iii) Form "W-9, Request for taxpayer identification number and certification."
- 6.2 **REIMBURSEMENT OF FUNDS** Grant funds are disbursed on a reimbursement basis. Recipient shall request reimbursement by submitting the request in the form designated by IEDA and submitting a Project progress report as described in Section 8.1(c) (Reports). The reimbursement form shall itemize Recipient's total actual allowable expenses. Expenses shall be documented in a manner acceptable to IEDA. Recipient shall also submit a Project progress report in the form designated by IEDA with each request for reimbursement.

IEDA will review the request and, if Recipient has met the requirements for reimbursement, will make the appropriate disbursement from the CAT Fund. The reimbursement will be limited to a pro-rata portion of Recipient's allowable expenses for the relevant period. No disbursements under \$500 will be made, except for the final draw of Grant funds.

- (a) **<u>RETAINAGE</u>** Five percent (5%) of the Grant award will be withheld from disbursement until Agreement closeout procedures have been completed.
- (b) **REIMBURSEMENT RATIO** When calculating the reimbursement ratio, IEDA will make an adjustment for up to twenty-five percent (25%) of the local match amount to be in-kind donations. The reimbursement ratio is calculated by dividing the Grant funds by the difference between the total Project Cost and the adjusted in-kind allowance.

Example:

Numbers from Exhibit B of the Agreement

• Total Project Cost: \$1,144,000

Grant funds: \$200,000Local Match: \$944,000

In-kind allowance

• Local Match (\$944,000) multiplied by 25% equals \$236,000

Calculation of the reimbursement ratio

- The difference between the total Project Cost (\$1,144,000) and the in-kind allowance (\$236,000) equals \$908,000.
- The Grant funds (\$200,000) divided by \$908,000 equals 22%.
- The reimbursement ratio of Grant funds is 22%.
- (c) <u>METHOD OF PAYMENT</u> Prior to reimbursement, Recipient shall specify the account to receive funds.
- (d) <u>SUSPENSION OF REIMBURSEMENT</u> Upon the occurrence of an Event of Default as defined in this Agreement by Recipient, IEDA may suspend payment to Recipient until the default has been cured to the Board's satisfaction. Notwithstanding anything to the contrary in this Agreement, upon a termination of this

23-CAT-007 City of Cascade

Agreement because of an Event of Default by Recipient, Recipient will no longer have the right to receive any reimbursements after the date of the Event of Default.

(e) <u>INVESTMENT OF GRANT FUNDS</u> In the event that the Grant funds are not immediately utilized, temporarily idle Grant funds held by Recipient may be invested, provided that such investments shall be in accordance with Iowa law, including but not limited to the provisions of Iowa Code Chapter 12C concerning the deposit of public funds. Interest accrued on temporarily idle Grant funds held by Recipient shall be credited to and expended on the Project prior to the expenditure of other Grant proceeds.

All proceeds remaining, including accrued interest, after all allowable Project costs have been paid or obligated shall be returned to IEDA within thirty (30) days after the Project Completion Date. Within ten (10) days of receipt of a written request from the Board or IEDA, Recipient shall inform the Board in writing of the amount of unexpended Grant funds in Recipient's possession or under Recipient's control, whether in the form of cash on hand, investments, or otherwise.

 - (ii) Certified year-end financial statements or balance sheets.

The Board reserves the right to require more frequent submission of any of the above reports if, in the opinion of the Board, more frequent submissions would help improve Recipient's Project performance.

Date: May 5, 2023 Re: Ambulance Fees

The Council discussed ambulance fees during the February budget reviews and again on April 10 and 24. I provided recommendations from our billing company Lifequest. The basis of the recommended increases we reviewed are based on the federal Medicare and Medicaid increases. The current system we have is a base fee and then the disposable charges are added. The recommended rates in the proposed ordinance are a bundled rate. Therefore, if approved, we would not be charging for individual items used on a call such as oxygen, IVs and more. After Council discussion and direction, I drafted an ordinance that would move to these new fees as the last increase was in 2014. The first of three readings was approved on April 24. This meeting would be for consideration of the second of three readings.

This has been written to cover all public meetings of the City including those of Boards, Commissions and Committees.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Cascade, Iowa, approves a Public Comment Policy, which is attached as Exhibit A. Public Comment Policy for the Cascade City Council

The Cascade City Council welcomes public comment at its regular meetings on the second and fourth Monday of each month. The City also invites public comment during special City Council meetings and during all Board, Commission and Committee meetings that are considered subunits of the City Council. In general, individual City Council members or members of the subunits do not respond to public comment during a meeting or hearing. The following are guidelines for the public comment period during Cascade public meetings. These guidelines may be amended by the City Council at any time.

Time: The two times for public comment at regular City Council meetings will be at the beginning and toward the end of the meeting after the completion of the regular agenda items. The periods of public comment are generally limited to no more than 20 minutes total for all speakers. Individual speakers must first state their name and address for the record prior to beginning to address the City Council. Each individual speaker may speak for up to 3 minutes. The City Clerk or Secretary will start the timer after the speaker's name and address has been provided, and speakers should conclude their remarks when time is called. If a large number of speakers are expected on a particular topic, the City Council, Board, Commission or Committee may limit or expand the total time for comments and/or may reduce the time allotted for each speaker and will announce this change in advance.

Time limits may be increased at the presiding officer's discretion, subject to the approval of the City Council, Board, Committee and Commission. Generally, matters presented during Public Comment that require further investigation or information shall be referred to staff, and if Council determines that action is required, the item may be placed on a future agenda.

Public Comment at the Beginning Of the Regular Council Meeting: This time on the agenda is an opportunity to address the City Council on matters on that day's agenda or items not on the agenda, but must pertain to matters of City government.

Public Comment at the End Of the Regular Council Meeting: This time on the agenda is only an opportunity to address the City Council on matters that were just discussed or voted on during the meeting that day.

Public Comment During Special City Council, Board, Commission and Committee Meetings: There will only be one Public Comment agenda item during all special Council or subunit meetings. All other sections of this policy shall be the same regardless of the body that is meeting.

Topics: All comments should address matters related to the Cascade City Council, Board, Commission or Committee. The City Council requests that comments related to an individual matter be directed to the appropriate staff first. The City Council also requests matters related to other levels of government, not governed by local government, be addressed to the appropriate level of government.

Decorum: Speakers will present their comments from the podium and are not allowed to engage in personal attacks. The City Council expects that each speaker will be courteous, modeling for our citizens how one can respectfully disagree with others' views. Speakers will address their comments

to the entire City Council and not to one individual City Council, Commission, Committee or Board member, a city employee, or the audience.

Accommodations: To ensure all citizens have an opportunity to speak, any person with a disability who needs accommodation to provide public comment is requested to contact the City Hall office at 563-852-3114 at least 3 business days in advance of a meeting to request assistance. If a speaker addresses the City Council, Commission, Committee or Board in a language other than English and has an interpreter, the speaker will have 3 minutes to speak, and the interpreter will have up to 3 additional minutes to translate the comments.

Advance Requests to Speak at Public Comment: An individual or group may request to speak to the City Council, Commission, Committee or Board under Public Comment in advance of the agenda being completed, no later than the Thursday before a meeting at 10:00 am. If someone makes this request, it shall be in writing, and information from the requestor can be included in the City Council packet and the item will be listed on the agenda under Public Comment.

Requests to Speak: An individual or group may also appear at the meeting and request to speak under Public Comment.

Order of Speaking: Individuals who request to speak in advance and are placed on the agenda shall speak first and in the order they appear on the agenda. Speakers that sign up in person at meetings shall use a form provided in the City Council chambers and will be called to speak in the order in which they sign up. As a courtesy to other citizens wishing to be heard, individual speakers should confine their remarks to a single topic.

Initial Notice: The Mayor or Chairperson will read the following statement before opening any public comment period:

Public Hearings: Pubic Hearings required by law will not have the strict time limits listed above, however all other parts of this policy shall apply.

The City Council, Commission, Committee or Board will now allow up to 20 minutes for comments from the public. The Mayor or Chairperson will call speakers to the podium in the order in which they appear on the agenda or have signed up on the form provided. Each speaker is limited to no more than 3 minutes for speaking, must speak from the podium, and must first state his or her name and address for the record. Comments should be directed to the body as a whole and should refrain from personal attacks or from addressing individual employees or citizens. Comments should also be limited to one topic.

Re: Discontinuation of Cascade Communications Cable TV

The customers that have cable TV through Cascade Communications were notified that the company will get out of the cable business at the end of the calendar year. This will impact City operations in two ways. One, we will no longer have Channel 18. Two, we will lose the Cable Franchise Fees. The impact to the upcoming fiscal year will be \$10,000. Future years will be \$20,000. I have also informed LeeAnn that we will no longer have her position since the channel will be gone. The letter sent out to the customers is in the packet.

May 1, 2023

Dear Valued Customer,

We regret to inform you that as of December 31, 2023, Cascade Communications will no longer be offering CCtv Service due to cost increases beyond our control. With another significant content and hardware cost increase, which we would have to pass on to you, the customer, CCtv service has become too expensive to provide. Instead, Cascade Communications has decided to focus on delivering our customers the best, most reliable Internet experience possible.

WE CAN HELP! You have probably heard of Streaming TV; streaming is watching TV over your Internet connection. With more networks offering programming over the Internet with a streaming app, you can still watch the same shows you do today by using a streaming device such as a Roku, Firestick, or a Smart TV. You may have heard of streaming services such as Netflix, Hulu, and YouTube TV, don't worry, we can help you pick the best streaming app(s) based on which network channels you watch the most.

So, while we may no longer be your TV provider, with our reliable Fiber Internet service, you can still enjoy TV service over the Internet. In the coming weeks, we will begin a campaign to help those who proactively want to make the switch from CCtv service to Streaming service. We will be happy to help as much as we can with straightforward, step-by-step guidance over the phone or in our office.

Again, we apologize for any inconvenience this may cause. We are available to help answer any questions you may have. You are welcome to stop in our office to speak to our trained staff, call us at 852-3710, or contact us by email at info@cascadecomm.com.

Property Tax Reform Agreement

Division I—County Property Taxes and Budgets

See Division II (same thing happens here for counties as does for cities in Division II). General Basic County Levy (\$3.50)/Rural Basic County Levy (\$3.95). Levies not impacted: pioneer cemetery, debt service, EMS, LE, flood and erosion, natural disaster.

Division II—City Property Taxes and Budgets

Creates a new general maximum levy by combining levies with current general levy.

- Takes whatever you are currently levying for your \$8.10. (counties \$3.50/3.95)
- Adds whatever you are currently levying in most voted-in levies—15 in total (memorial building, civic center, emergency, etc.)
- This is your new combined maximum general levy.
- Levies not impacted: municipal transit, aviation authority, insurance premiums, local emergency management, EMS, liability, debt service, IPERS, LE, police/fire retirement, and ag land.

Then the bill then sets taxable value growth triggers to adjust the property tax rate down.

- If taxable valuation grows 6% or more -> growth rate is reduced by 3% and the levy is recalculated
- If taxable valuation grows 3 to 5.99% -> growth rate is reduced by 2% and the levy is recalculated
- If taxable valuation grows less than 3% -> no recalculation

The levy growth recalculation will occur for the FY 25-28 budgets. Divisions I and II sunset. After the 2028 budget.

Division III—Public Education and Recreation Tax Levy (PERL)

PERL restriction – No new (only). Current levies are grandfathered in:

Division IV—County Sheriff Fee Report

County Sheriff Fee Report eliminated.

Division V—Homestead Property Tax Credit

New 65 and over Exemption (not income restricted and in addition to regular homestead credit)

• 2024 - \$3,250

2025 – \$6,500

Division VI—Military Service Property Tax Exemption and Credit

Military service credit is currently an exemption that gets paid for in part by the state through a credit. This division increases the exemption amount for veterans and eliminates the state funding for the credit. \$1,852 (credit) becomes a \$4,000 (exemption).

Division VII—Property Tax Benefits and Incentives

Requires minimum assessment agreements on commercial abatements

Prospectively eliminates residential abatement <u>just on</u> the school levy (404-Urban Revitalization Areas) *Does not affect TIF, RIZ, etc.*

Division VIII—Transit Funding

DART – allows for funding using increased franchise fees.

Division IX—County Auditor Valuation Reports

Requires an annual report to DOM that distinguishes valuations within a tax jurisdiction. Identify new growth vs. organic growth due to assessment increases.

Division X—Local Government Budgets and Taxpayer Statements

For cities, counties, and school districts it sets up a new hearing within the budget process for information mailed to the taxpayer. These entities will have to deliver to property owners a standardized statement and show percentages of the budget each represents.

Budget deadlines are extended to April 30.

Division XI—Driver's Licenses and Nonoperator's Identification Cards

\$10 optional county convenience fee for DLs or IDs for non-county residents.

Division XII—Writing Fees

\$2 mandatory fee for title or transferring title of snowmobiles, ATVs, boats.

Division XIII—Bond Elections

Moves all elections for bonding to the general election date (every November). Notice is to be sent to taxpayers.

Division XIV—County and City Financing

Debt Thresholds: Increases bonding threshold by 30%. (Can do more expensive projects without a vote). In addition, for general obligation bonds, it will index values.
