Re: Water and Sewer Repairs ROW

At the last City Council meeting the Council approved the first reading as recommended. This will be consideration of the second reading.

Background Information from April Meeting:

we were reviewing the water and sewer ordinances it was not clear what material can be used for patches to a road after pipe repairs are completed. Since all repairs are the responsibility of the property owner, we want to be clear that if the road is concrete, concrete must be used in the patch. The proposed ordinance #09 and #11 both clarify that like materials must be used. In addition, the water language includes "100%" for who is responsible, and the sewer side does not. The language still is that both are fully responsible but since we are changing the material portion, I also added the "100%" to the sewer language. I am making these two recommendations simply to be clear prior to any issue coming forward.

This would be the second reading of three if approved by the City Council.

ORDINANCE #09-24

AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF CASCADE, IOWA, BY AMENDING

CHAPTER 6-3 UTILITIES-WATER SYSTEM SPECIFICALLY RESPONSIBILITY FOR WATER SERVICE PIPE 6-3-13

NOW, THEREFORE, BE IT ENACTED, by the City Council of the City of Cascade, Iowa, as follows:

Section I. <u>Section Modified</u>. Title VI Physical Environment, Chapter 3 Utilities – Water System, of the Code of Ordinances of the City of Cascade, Iowa, is repealed and the following adopted in lieu thereof:

6-3-13 RESPONSIBILITY FOR WATER SERVICE PIPE

1. Installation. All costs and expenses incident to the installation and connection of the water service pipe from the curb stop to the building served shall be borne by the owner. The owner shall indemnify the City from any loss or damage that may directly or indirectly be occasioned by the installation of said water service pipe. The cost to repair the water service pipe from the city water main to the curb box and from the curb box to the residence shall be paid by the property owner 100%. The materials used to repair the right of way must be the same original material such as concrete or asphalt, unless otherwise pre-approved by the City.

Section II. <u>Severability Clause</u>. If any section, provision or part of the ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance or any section, provision or part thereof not adjudged invalid or unconstitutional.

Section III. When Effective. This ordinance shall be in effect from and after its final passage, approval and publication as provided by law.

PASSED, ADOPTED AND APPROVED this 2	28 th day of May, 2024.

ORDINANCE #11-24

AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF CASCADE, IOWA, BY AMENDING

CHAPTER 6-2 UTILITIES-SANITARY SYSTEMS SPECIFICALLY RESPONSIBILITY FOR BUILDING SEWERS AND CONNECTIONS 6-2-4-14

NOW, THEREFORE, BE IT ENACTED, by the City Council of the City of Cascade, Iowa, as follows:

Section I. <u>Section Modified</u>. Title VI Physical Environment, Chapter 2 Utilities – Sanitary System, of the Code of Ordinances of the City of Cascade, Iowa, is repealed and the following adopted in lieu thereof:

6-2-4-14 BUILDING SEWERS AND CONNECTIONS

The Owner of the property served by a building sewer shall be 100% responsible for the operation, maintenance, repair, blockage, surface replacement, and any damage resulting from operation, maintenance repair and blockage of said building sewer, from the point of connection with the building drain to the Public Sewer. The materials used to repair the right of way must be the same original material such as concrete or asphalt, unless otherwise pre-approved by the City.

Section II. <u>Severability Clause</u>. If any section, provision or part of the ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance or any section, provision or part thereof not adjudged invalid or unconstitutional.

Section III. When Effective. This ordinance shall be in effect from and after its final passage, approval and publication as provided by law.

Re: Water, Sewer and Garbage Billing Adjustments

At the April meeting the City Council approved the first reading as recommended below. This will be consideration of the second reading.

Background information from April:

There are times when billing errors occur. The error can be over or under billing a customer. We have the right by State law to collect the charges if services were provided. We would also like to add a section to the ordinance that further clarifies how the charges will be handled when billing errors occur. In the packet is a draft of Ordinance #10-24, which covers this area of consideration. This draft specifies that the back bill or refund can go as far as three years. For repayment it states lump sums or payments over time and allows for repayment plans. It also clarifies that CMU is acting as our billing agent. It also clarifies that people have a duty to report discrepancies they find. Finally, it states that we will not charge interest on back billed amounts due to the City underbilling a customer.

This would be the second of three readings if approved by the City Council.

ORDINANCE NO. 10-24

AN ORDINANCE AMENDING TITLE VI, CHAPTER 5 OF THE CODE OF ORDINANCES OF THE CITY OF CASCADE, IOWA, BY CREATING A NEW SECTION 6-5-13 FOR THE PURPOSE OF ESTABLISHING A POLICY FOR UTILITY BILLING ERRORS AND ADJUSTMENTS

Be It Ordained by the City Council of the City of Cascade, Iowa, that:

SECTION 1. AMENDMENT. Title VI, Chapter 5, of the Code of Ordinances, is amended by creating the following new section 6-5-13:

6-5-13 – Utility Billing Errors and Adjustments Policy

1.Intent and Purpose. This policy is intended to establish the maximum time period for (1) the collection of billing undercharges, and (2) the refund or credit for billing overcharges. This rule shall supplement all other applicable rules and policies of the City of Cascade that may pertain to the calculation of utility service billing errors, overcharges and undercharges, the recovery of undercharges, and the refund or credit for overcharges.

- 2. Joint Billing for Combined Services. The City Council is the governing body of the City of Cascade and its water, sewer utilities and garbage services. The City Council is solely responsible for the establishment, imposition, adjustment, and collection of rates and charges, including billing adjustments relating to overcharges and undercharges. However, pursuant to Iowa Code section 384.84(8)(b), two or more city utilities, including board-governed city utilities under Iowa Code chapter 388, may contract for the joint billing or collection of combined service accounts. The City Council of Cascade, which governs the city's water and sewer utilities, and the Board of Trustees of the Cascade Municipal Utilities ("CMU"), which governs the city's gas and electric utilities, have agreed that CMU will undertake the billing and collection of combined service accounts for all of the city-owned utility services.
- 3. Duty to Review Usage and Notify. Customers and ratepayers ("Customers") of the City's water and sewer utilities shall have a duty to review all billing invoices and other billing communications sent to them, whether from the City or from CMU, to monitor their utility usage, and to notify the City or CMU promptly if the usage appears out of the ordinary, whether deficient or excessive in general or relative to prior billings and usage. Such notification shall be given to the City or to CMU, if there is an agreement to undertake joint billing for combined service accounts. Failure to promptly notify the City or CMU of a potential or suspected billing error may be a basis for denial of a request for a refund or credit for an overcharge for the time period after the Customer was aware of or suspected the potential overcharge.
- 4. Time Period for Billing Adjustments. If for any reason the City or CMU determines there has been a billing error with regard to the amounts due and owing for water or sewer service, the City or CMU may adjust the amount due and owing as provided in this rule or may authorize CMU to do so under the joint billing agreement. The time period for recovery of undercharges and for a refund or credit of overcharges shall be limited as follows:
- The maximum time period for which an undercharge may be recovered from the Customer is three (3) years. The maximum time period for which an overcharge may be refunded or credited to the Customer is also three (3) years.

- There shall be no recovery of an undercharge, nor a refund or credit for an overcharge, for a time period that is more than three (3) years prior to the time notification was given, whether by the Customer or by the City or CMU, as applicable.
- In the case of a failure by the Customer to promptly notify the City or CMU, or by the City or CMU to promptly notify the Customer, of a potential or suspected overcharge or undercharge, there shall be no recovery of an undercharge or refund or credit for an overcharge for the time period after the Customer suspected or was aware of the potential overcharge or the City or CMU suspected or was aware of the potential undercharge.
 - No interest shall be applied to undercharges or overcharges.
- CMU shall include the City Administrator in large payment arrangements when there are undercharge billing adjustment payment arrangements and in all cases inform the City of undercharges and overcharges involving the water, sewer and garbage billing.

Examples:

- If a meter error results in a Customer being overcharged by 10% for each bill for the most recent two-year period and the Customer gives the City Utility prompt notice once the Customer suspects the overcharge, the Customer will receive a full refund or credit of the overcharge.
- If the 10% overcharge has occurred for the most recent 7 years and the Customer gives prompt notice to the City Utility once the Customer suspects the overcharge, the Customer will receive a refund or credit for the most recent 3 years of the overcharge.
- If the 10% overcharge occurred for a 7-year period which began 10 years ago and stopped 3 years ago, and the Customer gives prompt notice to the Utility once the Customer suspects the overcharge, the Customer will not receive a refund or credit for the overcharge because the overcharge was more than 3 years ago. The outcome is the same without regard to whether the Customer knew, should have known, or could have known of the overcharge.

Recovery of Undercharges. Undercharges payable under this rule may be recovered by the City or CMU by applying the amount of the undercharge to the Customer's bill in a lump sum or by applying it monthly over a period of time up to one year. The Customer and the City or CMU may enter into a payment plan the terms of which are established by contract, though the offering of a payment plan is solely at the City or CMU's discretion. A Customer's failure to pay an undercharge, or failure to enter into a payment plan, or a breach of a payment plan, may result in a disconnection of service or in a lien upon the property as provided by law.

Refund or Credit of Overcharges. Overcharges payable to a Customer may be refunded or credited to the Customer as provided in this rule, in the City or CMU's discretion. If the City or CMU provides a refund, it may be paid in a lump sum or monthly over a period of time up to one year. If the City or CMU provides a credit, the credit shall be applied to the Customer's account balance for the applicable utility for each billing cycle thereafter until the credit has been used in full.

If a Customer gives notice of a suspected or potential overcharge and the City or CMU does not agree, and if the source of the overcharge involves the meter, the Customer's sole remedy is to request a meter test pursuant to the rules of the applicable utility service.

This rule shall not be construed to require a cash refund to a current customer if the amount is less than five dollars nor to a previous customer in an amount less than ten dollars.

5. Authority: This policy is adopted under the authority reserved for and granted to the City or CMU by applicable law, including the following:

- Municipal Home Rule authority under the Iowa Constitution, as amended (at the time of adoption of this Policy, Article III, Section 38A of the Iowa Constitution) and its statutory implementation in Iowa Code chapter 364;
- Iowa Code section 384.84, as amended regarding the establishment, imposition, adjustment, and collection of rates and charges by the governing body of the city utility; and
- Iowa Code Chapter 388;
- 6. Non-Applicability and Waiver. The provisions of this policy are not subject to and shall not be subject to or modified by the discovery rule or theories of continuing violations, statutory law (unless expressly regulating municipal utility ratemaking authority), provisions or theories of general contract law, equitable principles, or other common law theories or remedies which might otherwise have the effect of extending the time period for or the amount of collection of underpayments and refunds or credit for overpayments. By accepting utility service from the City, the customer expressly waives, holds harmless from, and agrees not to assert any of the aforementioned claims, causes of action, or theories against the City, or in relation to its sewer service, water service, or financial management, in any forum whatsoever.
- 7. Severability. If any part or provision of this rule is legally declared invalid or unenforceable by a court of law with proper jurisdiction, that part or provision of the rule will be construed consistent with applicable law as nearly as possible, and the remaining parts and provisions will remain in full force and effect. Such invalidity or non-enforceability will not invalidate or render unenforceable any other part or provision of this Policy.
- **SECTION 2. REPEALER**. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.
- **SECTION 3. SEVERABILITY CLAUSE.** If any section, provision, or part of this ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the ordinance as a whole or any section, provision or part thereof not adjudged invalid or unconstitutional.

SECTION 4. WHEN EFFECTIVE. This ordinance shall be in effect from and after its final passage, approval and publication as provided by law.

Passed and approved by the City Council the 28th day of May, 2024.

Date: May 10, 2024 Re: Fire Truck Surplus

Last year the City Council authorized the joint purchase of a new fire truck in partnership with the Farm Board. The truck will be owned jointly by all municipalities being served by the Department. This truck is the last one that is owned solely by the City. Therefore, when sold the revenue would be retained by the City. The Council is required to declare a piece of equipment as surplus in order for staff to place it up for sale. We are not exactly sure when the new truck will arrive but it will be soon. We will not release it to any new buyer until we have our new one in service from Toyne. Resolution #49-24 is in the packet for consideration.

Some additional details from the existing truck are: Engine: Cummins C8.3 300 HP, Auto Shift Transmission, 17,404 Approximate Miles, 5 Passenger with 3 SCBA Seats, Top Mount pump controls, 1250 gpm Darley pump

1000 Gallon Tank and Onboard Generac NP75D Mobile Generator / 233 approximate hours.

RESOLUTION #49-24

A RESOLUTION DECLARING AS SURPLUS AND AUTHORIZING THE DISPOSAL OF A FIRE DEPARTMENT TRUCK FOR THE CITY OF CASCADE

WHEREAS, the City and Cascade Fire Department are preparing to receive a new Fire Truck from Toyne in Spring 2024; and,

WHEREAS, the City is no longer in need of the 1998 4DR Freightliner Pumper, VIN: 1FV6JLCB8XH973813, with the following features: Engine: Cummins C8.3 300 HP, Auto Shift Transmission, 17,404 Approximate Miles, 5 Passenger with 3 SCBA Seats, Top Mount pump controls, 1250 gpm Darley pump, 1000 Gallon Tank and Onboard Generac NP75D Mobile Generator / 233 approximate hours; and,

WHERAS, the City would like to advertise for the sale of this City owned truck at the time a date is received for the new truck.

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Cascade, Iowa, authorizes the City staff to dispose of the 1998 4Dr Freightliner Pumper used by the Fire Department by the best means possible to include a public auction/sale service or advertised in Iowa.

PASSED, APPROVED AND ADOPTED this 13th day of May, 2024.

Re: CEDC Request for Additional Funds

As you recall the FY24 funding for the CEDC was a minimum of \$10,000 and the possibility of an additional \$7,500. The \$10,000 was provided in February. In January, the Council heard a presentation from Holly and Brad about the CEDC. Their Board has requested to attend the meeting to ask for additional funds. At the time that the lower amount was discussed, \$10,000, \$17,500 or \$20,000, it first started with the idea that we were creating a new position and looking for funding sources. We discussed the idea of the City staff providing some level of support via employees versus solely providing funding. The \$20,000 amount the City has been paying in the past decade or so matches the amount paid to ECIA for their services. The CEDC decided it wanted to retain the ECIA services as they have been in the past and therefore continues to have the expense of \$20,000. They also have expenses in property taxes, insurance, and projects they contribute to.

During the discussions last summer, the CEDC stated its intent to move dirt in the industrial park. This was another reason for needing funding. The CEDC also applied for and received a DRA grant in 2022 and most of those funds were used for the Downtown Assessment from the IEDA, one of the new billboards, a KCRG video during the Our Town promotion and a portion of the downtown banners. The CEDC's DRA grant request was not approved in 2023. The CEDC used some of their own funds to make up the balance of those expenses that the DRA Grant did not cover.

Regarding the dirt, the CEDC hired Jake Deaver and the MSA team to calculate the costs of moving dirt on all the industrial park land owned by the CEDC. This was an analysis of how many cubic yards need to be cut and how many cubic yards need to be filled. The plans included a U-shaped road in the middle of the deeper piece of land and ideas on how it might be platted. The total cost given by MSA to move all dirt and include erosion control was \$712,800. The CEDC Board went back to MSA and said that the wanted to understand what could be done to spend less money. Jake presented a second plan that would focus on moving dirt more on the front lots and not act on the back eastern most areas. That amount totaled \$247,995. I then expressed to the Board my concern about spending that amount without having prospects, while also recognizing that some preparation work is appropriate. We have also discussed the fact that some businesses in Cascade have not been expanding as planned due to a lack of workforce. That is obviously not an issue unique to Cascade but is happening in most places. I also suggested that we may need to first focus (or also focus) on additional housing options and a more diverse housing choice to grow our population prior to a large amount of money being spend on land prep. This does not mean we are giving up or not focusing on industrial and commercial growth but we are being sure to do our best to complete tasks in the best order that will hopefully lead to success.

When I was asked to place this on the agenda, I suggested that the Board prepare some history of the past year's finances or plans for dirt removal to present to the City Council as a basis for consideration for additional funding above the \$10,000 already provided. My suggestion was not taken well as it led to a feeling by the CEDC Board that this meant I don't trust them or that I am trying to remove them all together. I assured the Board that this was not my intent and that they are an important partner. However, asking the Council to invest public funds is a job that must come with information on how the funds will be used. I explained how the State has much higher expectations that are now placed on the Council to review and approve funds given to private organizations. In the past it was often a decision that a group was worthy of funding and an amount was given without much detail on how the funds would be used and proof of those expenses. I explained how I provide the same type of information when I am asking the Council to decide something. As the Council is aware, I will provide as much background information as possible to assist in decision making. I was not provided with any additional information between that request and the packet time.

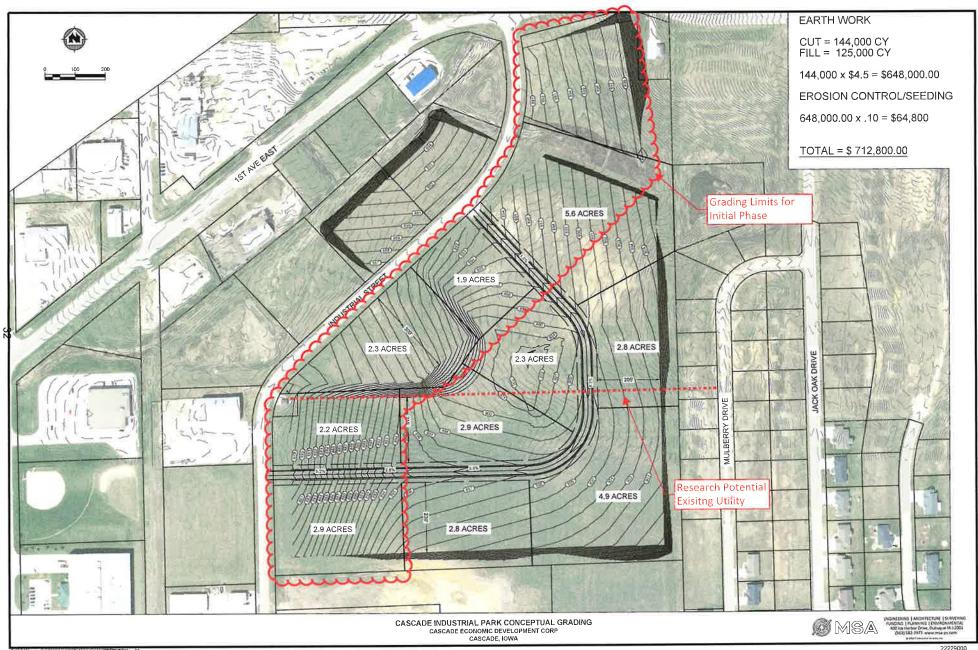

Bill Hosch was also in attendance at the meeting described above when this discussion took place and can provide his input at the Council meeting regarding additional funding.

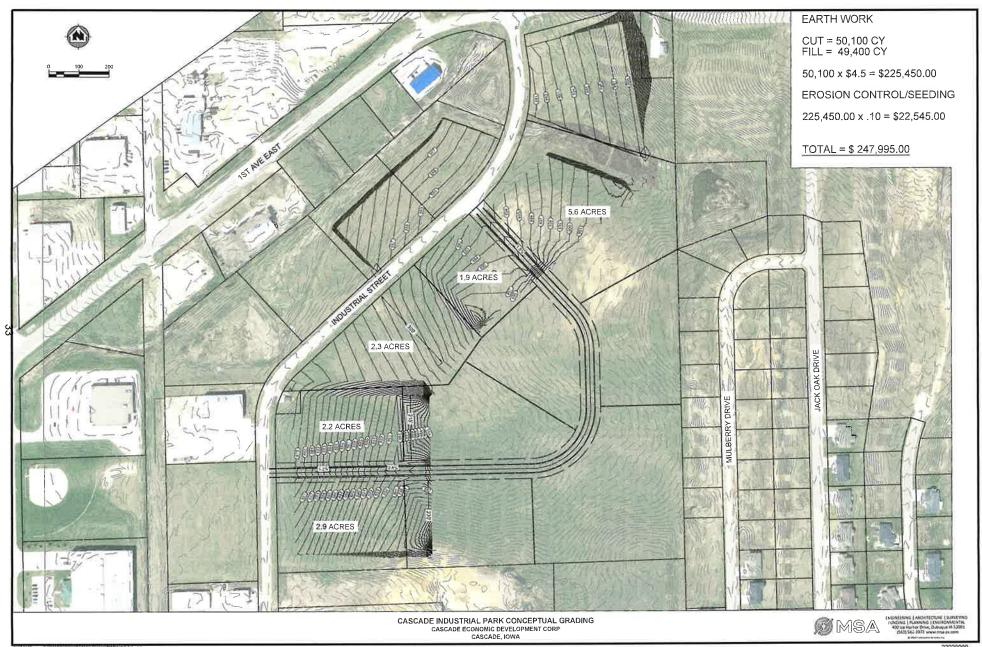

While not directly related to this decision, I also would suggest we have discussions on the responsibilities that go along with sales of land, development incentives, zoning, and anything else that impacts business growth. By this I mean what roles are covered by the CEDC, the City, ECIA or other groups involved in our growth. I am not suggesting that this be done at this Council meeting, but soon. I think it would be beneficial for there to be more defined expectations on the roles.

The language we have in our funding agreements states:

Accounting. Provider (CECD) agrees to allocate said funds in accordance with its operational goals to provide the Services to area residents, including residents of Cascade, and to provide an annual accounting to the City showing that the funds were so applied. Annual accounting will include a summary of funds received and spent and receipts totally at least the total amount contributed by the City.

When we provided the \$10,000 in funding, we received past bills that totaled over \$10,000 and copies of checking account bank statements from July 23 to January 24. This gives a partial picture of what is required above, although I believe there are also investments that do not show in these statements. It does not show funds received and spent such as sales of land, grant funding.

Re: Industrial Court and Detention Basin in Oak Hill

The street that we maintain as Industrial Court is still owned by Mike Beck. This is the street that runs east and west where his shop is located. This road was built with RISE grant funds, City funds and Beck funds. It is required that the City own roads that used public funds. This step of transferring ownership was overlooked and so I would like to get it corrected. Prior to taking further steps for approval, I want to be sure that the Council is supportive of me proceeding to get this ready for Council consideration.

The second item, while not always as easy, is storm water detention ponds in subdivisions. The reality of City staffing is that we do not really have the time or funding to best care for these areas. However, it also is not practical for a subdivision large group of residents to care for them either. Mike is requesting the City take over the lot on the NW side of the subdivision. There is already one on the east side that we own.

These are both for discussion only for Council input.

Re: Planning and Zoning Commission

We have one vacancy on the Commission. We readvertised and have found one candidate willing to serve a 3-year term until September 30, 2027. The resolution is filled out to appoint Gayle Walter and her letter of interest is included in the packet.

RESOLUTION #51-24

RESOLUTION APPROVING A PLANNING AND ZONING COMMISSION MEMBER APPOINTMENT TO FILL A NEW TERM THROUGH SEPTEMBER 30, 2027 IN THE CITY OF CASCADE, IA

WHEREAS, Chapter 2-8 of the Code of Ordinances of the City of Cascade grants authority to the City Council to appoint members of the Planning and Zoning Commission; and,

WHEREAS, the Planning and Zoning has a vacancy for a term, effective immediately and expiring September 30, 2027; and,

WHEREAS, one person expressed interest in the vacant position.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY

OF CASCADE, IOWA, that Gayle Walter is appointed to fill the vacant term from May 14, 2024 until September 30, 2027 for the Planning and Zoning Commission.

PASSED, APPROVED AND ADOPTED this 13th day of May, 2024.

	Steve Knepper, Mayor	
ATTEST:		
Kathy Goerdt, City Clerk		

April 25, 2024

City of Cascade 320 1st Avenue West Cascade, IA 52033

Dear City of Cascade:

I have been a resident of Cascade for almost a year now and would like to become more involved in serving on a city board. I was recently informed by Chad Gehl that there may be a vacancy on the Planning and Zoning Commission. I previously served on the Environmental Stewardship Advisory Committee for the city of Dubuque when I lived there several years ago.

To provide you with some background information, my husband and I recently relocated here from the Cedar Rapids area. I previously worked for the University of Iowa as a faculty member and now work from home as a Program Director for South College. My background is in public health, but I understand the importance of planning and zoning in keeping communities safe and healthy, for example, the movement of traffic and the segregation of residential and business districts. I earned my PhD in Public Health, and my Master of Public Health, from Walden University. My undergraduate degree is in Health Services Administration. My husband, Carl, is employed by Opening Specialists in Dubuque.

I do not have any experience in Planning and Zoning, but I would be interested in learning more and contributing to the Commission. If you feel there is a better fit for me on another Board, I would be interested in that opportunity as well.

If you need additional information, please contact me.

Best.

Gayle Walter

Date: May 10, 2024 Re: Grass Weed Height

As we approach lawn mowing season, we noticed that the nuisance code has a conflict in it. Section L states no more than 6 inches. Section OO states 8 inches. Before proposing a change to one of the codes I am looking for the Council's preference to 6 or 8 inches. The conflicting two sections are included in the packet.

- h. Cotton-bearing cottonwood trees and all other cotton-bearing poplar trees in the City.
- i. Any object or structure hereafter erected within 1,000 feet of the limits of any municipal or regularly established airport or landing place, which may endanger or obstruct aerial navigation, including take-off and landing.

(Code of Iowa, Sec. 657.2(8))

j. The depositing or storing of inflammable junk, such as old rags, rope, cordage, rubber, bones, and paper, by any person, including a dealer in such articles, unless it be in a building of fire resistant construction.

(Code of Iowa, Sec. 657.2(9))

k. The emission of dense smoke, noxious fumes, or fly ash.

(Code of Iowa, Sec. 657.2(10))

I. Weeds, brush. Any condition relating to weeds which is described as a nuisance in the Cascade Municipal Code of Ordinances or under state law. Dense growth of all weeds, grasses, vines, brush, or other vegetation including grass over 6" in height in the City so as to constitute a health, safety, or fire hazard including any City owned property between the abutting property line and the street right-of-way. Any condition related to weeds described or defined as a nuisance under the Code of Iowa or the City Municipal Code.

(Code of Iowa, Sec. 657.2(11))

(ECIA Model Code Amended in 2017)

(Ord 7-18, July 9, 2018)

m. Trees infected with Dutch elm disease.

(Code of Iowa, Sec. 657.2(12))

- n. Effluent from septic tank or drain field running or ponding on the ground in the open.
- o. Any article or substance placed upon a street, alley, sidewalk, public ground, or in any ditch, waterway, or gutter so as to obstruct the drainage.

(Code of Iowa, Sec. 716.1)

p. Accumulations of rubbish or trash tending to harbor vermin, rodents, and rank growth of weeds or other vegetation and plants, which is conducive to hazard.

(Code of Iowa, Sec. 657.2)

- q. Causing or suffering any refuse, garbage, obnoxious substances, hazardous wastes, junk or salvage materials to be collected or to remain in any place to the prejudice to others; causing or suffering any refuse, garbage, obnoxious substances, hazardous wastes, junk or salvage materials or other offensive or disagreeable substances to be thrown, left or deposited in or upon any street, avenue, alley, sidewalk, park, public square, public enclosure, lot, vacant or occupied, or upon any pond or pool of water; except for compost piles established and maintained with written permission from the County Public Health Department and junk or salvage materials property stored in accordance with the Cascade Municipal Code:
- r. Diseased or damaged trees or shrubs. Any dead, diseased or damaged trees or shrubs, which may harbor insects or diseased pests or diseases injurious to other trees or shrubs or any healthy tree which is in such a state of deterioration that any part of such tree may fall and damage property or cause injury to persons.
- t. Any ditch, drain or water course which is now or hereafter may be constructed so as to prevent surface water and overflow water from adjacent lands entering or draining into and through the same; any storm water detention basis not maintained in an appropriate manner so as to allow its proper function.
- u. Stagnant water standing on any property, any property, container or material kept in such condition that water can accumulate and stagnate.
 - v. Conditions which are conducive to the harborage or breeding of vermin.
 - w. Infestations of vermin such as rats, mice, skunks, snakes, starlings, pigeons, bees, wasps, cockroaches or flies.
- x. Facilities for the storage or processing of sewage, such as privies, vaults, sewers, private drains, septic tanks, cesspools and drainage fields, which have failed or do not function property or which are overflowing, leaking or emanating odors; septic tanks, cisterns and cesspools which are abandoned or no longer in use unless they are empty and cleaned with clean fill; an evolved cesspools or septic tank which does not comply with the County Department of Health regulation.
 - y. Unoccupied buildings or unoccupied portions of buildings which are unsecured.
 - z. Dangerous buildings or structures.

hazards include, but are not limited to, open holes, open wells, open foundation, dangerous trees or limbs, abandoned and unsecured refrigerators or trapping devices.

- cc. The storage, parking, leaving or permitting the storage, parking or leaving of any inoperable or obsolete vehicle upon private property within the City unless exempted herein. This section shall not apply to any vehicle enclosed within a building on private property or to any vehicle held in connection with a legal junk yard or automobile or truck-oriented use operated in the appropriate zone and in compliance with the Cascade Municipal Code of Ordinances.
- dd. All junk yard or salvage operations except those permitted by ordinance and operating in full compliance with the Cascade Municipal Code of Ordinances.
- ee. The open burning of trash, refuse, garbage, junk or salvage materials, yard waste, leaves and tree trimmings shall be prohibited within the City limits, provided, however, the City Council may designate up to three weekends each year to allow City residents to burn leaves and tree trimmings in accordance with the City's Open Burning Policy. Outdoor cooking or burning of wood is permitted if performed in a container constructed of steel, brick or masonry and the fire is no larger than two feet in diameter. Additional open burning may be permitted upon written request, only with the special permission of the City Council provided the burning is in compliance with Open Burning Policy guidelines established by the City in consultation with the Fire Department.
- ff. Any accumulations of ice, water and snow on public sidewalks, or the failure to remove said accumulations within 48 hours after the creation of such accumulations exist, shall constitute a nuisance and shall be abated pursuant to the provisions specified in the Cascade Municipal Code of Ordinances.
 - gg. The parking of motor vehicles on private property without the consent of the property owner or responsible party.
 - hh. Any nuisance described as such or declared by Chapter 657 of the Code of Iowa.
- ii. The sounding of any horn or other signaling device on any vehicle on any street, public or private place within the City, except as a danger warning, which makes a loud or harsh sound to the disturbance or annoyance of any person and can be plainly audible at a distance of 50 feet.
- jj. The use of amplified sound creating a disturbance or annoyance to others and can be plainly heard 50 feet from the source of the amplified sound.
- kk. Yelling, shouting, hooting, whistling or singing at any time or place so as to annoy or disturb the quiet, comfort or repose of persons in the vicinity.
- II. The erection, excavation, demolition, alteration, repair or construction of any building or other property between the hours of 7:00 a.m. and 9:00 p.m., except in the case of an emergency of a public health and safety nature, with the approval of the City.
- mm. No person shall obstruct, deface, destroy or injure any public right-of-way in any manner by breaking up, plowing or digging within the right-of-way without City permission.
- nn. No person shall throw or deposit on any public or private property any glass bottle, glass, nails, tacks, wire, cans, trash, garbage, rubbish, litter or any other debris or like substance which may injure or damage any person, animal or vehicle or which may annoy, injure or become dangerous to the health, comfort or property of individuals or the public.
- oo. No person shall allow any plants to grow uncultivated and out of context with the surrounding plant life when such plant has a seed head formed or forming and with a height of 8 inches or more, nor shall any person allow their grass to grow unattended with a consistent height above 8 inches.
- pp. Causing or suffering any refuse, garbage, obnoxious substances, hazardous wastes, junk or salvage materials to be collected or to remain in any place that prejudices others.
- qq. Causing or suffering any refuse, garbage, obnoxious substances, hazardous wastes, junk or salvage materials or other offensive or disagreeable substances to be thrown, left or deposited in or upon any street, alley, avenue, sidewalk, park, public square, public enclosure, lot, vacant or occupied.
- rr. The storage of any appliances, scrap metal, indoor furniture, broken furniture, used building material, unstacked wood, broken toys, broken bicycles and tricycles, bathroom fixtures and similar objects visible from the public right-of-way or adjoining property.
 - ss. Pools and ponds containing stagnant water.
- tt. Pipes, lumber, drywall, flooring, roofing shingles and other building material left on the property visible from the public right-of-way or adjoining property for a period of time exceeding 72 hours.
 - uu. Rusty, deteriorated, dilapidated or unusable play equipment visible from any adjoining property.
- vv. Dilapidated dwelling units exhibiting peeling paint, untreated wood, broken gutters, broken windows, dry rot, missing banisters, railings and spindles, broken doors and the like creating an eyesore and offending members of the public.

Re: IDOT Hwy 136 Addendum #1 to Contract

The Council may recall that we were originally going to get \$120,000 from the RPA 8 Board to help fund storm water improvements. It was then discovered that our project was not eligible for that funding source as we had done a locally let project instead of one let by the State. In order to accommodate this unintentional mistake or oversight, the State was gracious enough to allocate other state funds so as to still provide funding toward the project in a similar amount. The IDOT staff were also able to assist in sidewalk funding due to the non-ADA sidewalks we have now. This addendum does two things: one is that it updates the additional funding the IDOT is willing to provide. Second, since the bid price was much less than the engineering estimates, the prices were changed to reflect contract prices more accurately. I would recommend Council approval of the addendum with direction to the Mayor and Clerk to sign the document.

I also want to inform the City Council and the public that we are going to create a weekly newsletter with project updates.

Anyone can sign up to receive the newsletter via email or check it out on our website.

To sign up go to

Cityofcascade.org
City Government
City Administration
Highway 136 Construction Info
Go to the bottom of this page and enter your email address

A reminder the project will begin Tuesday May 28. The north side will start first. The south end will likely be untouched until late July or early August.

RESOLUTION #52-24

A RESOLUTION APPROVING AN ADDENDUM TO THE COOPERATIVE AGREEMENT BETWEEN THE IOWA DEPARTMENT OF TRANSPORTATION AND THE CITY OF CASCASE FOR HIGHWAY 136 CONSTRUCTION PROJECT SOUTH OF 1ST AVENUE WEST

Whereas, City of Cascade requested from the Iowa DOT a joint project to reconstruct Highway 136, south of 1st Avenue West to the south City limits; and,

Whereas, the Iowa DOT and the City have a Cooperative Agreement for Project STPN-136-2(42)-2J-53 that outlines the expectations for both parties which was approved by the Council in Resolution #49-23, and;

Whereas, the original agreement is being amended to reflect the accurate price of the construction after bids were received in February 2024 and due to a change in funding by both parties; and,

Whereas, the IDOT staff has shifted funding that was previously to be provided through ECIA and will now be provided directly from the IDOT in the amount of \$120,000; and,

Whereas, the amendment document is attached as Exhibit A.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, as follows:

The City Council approves the first addendum to Iowa Department of Transportation Cooperative Agreement for Primary Road Project, Jones County, City of Cascade, Project Number STPN-136-2(42)-2J-53, Agreement Number 2023-16-113 attached as Exhibit A between the Iowa DOT and City of Cascade and authorizes the Mayor and Clerk to sign and execute the amendment document.

PASSED, APPROVED AND ADOPTED this 13th day of May, 2024.

	Steve Knepper, Mayor	
ATTEST:		
Kathy Goerdt, City Clerk		

IOWA DEPARTMENT OF TRANSPORTATION Addendum to Agreement No. 2023-16-113

County	Jones	
City	Cascade	
Project No.	STPN-136-2(42)2J-53	
Iowa DOT Addendum No. Staff Action No.	2023-16-113B	

This Addendum is entered into by and between the Iowa Department of Transportation, hereinafter designated the "DOT", and the city of Cascade, Iowa, a Local Public Agency, hereafter designated the "LPA", in accordance with Iowa Code Chapters 28E, 306, 306A and 313.4 and 761 Iowa Administrative Code Chapter 150 as applicable;

The DOT proposes to establish or make improvements to Iowa 136 within Jones County, Iowa; and

The DOT and the LPA are willing to jointly participate in said project, in the manner hereinafter provided; and

The DOT and the LPA previously entered into the following Agreement and Addendum for the following funding sources related to the above referenced project:

Funding Source	Agreement No.	Project No.	Full Execution Date
Primary Road Funds	2023-16-113	STPN-136-2(42)2J-53	July 5, 2023
N/A	2023-16-113A	STPN-136-2(42)2J-53	December 8, 2023

Subsequent to execution of the above referenced Agreement and Addendum, it was determined that additional Primary Road Funds will be added to the project. The additional funding will be credited from the East Central Intergovernmental Association's (ECIA's) Federal-aid Swap funding distributions and shall be utilized in a manner consistent with Federal-aid Swap funding.

This Addendum reflects the current concept of this project which is subject to modification by mutual agreement between the LPA and the DOT; and

Now, therefore, it is agreed as follows:

- 1. Paragraph 2b. of Agreement No. 2023-16-113 shall be replaced with the following paragraph:
 - b. The DOT shall contribute an amount, which shall not exceed \$1,203,300, for eligible project costs plus approved change orders, or the dollar amount for eligible items determined by actual quantities in place at the time of project completion and the accepted bid unit price at contract letting, whichever is less. See Division 1 of Exhibit B for eligible costs.
- 2. Add the following Paragraph 2c. to Agreement No. 2023-16-113:
 - c. The DOT shall contribute an amount, which shall not exceed \$120,000, for eligible project costs. Costs incurred in excess of this amount shall be the responsibility of the LPA. See Division 3 of Exhibit B for eligible costs.
- 3. Exhibit B of Agreement No. 2023-16-113 shall be replaced with the attached Exhibit B.

General Provisions

- 1. It is the intent of both (all) parties that no third-party beneficiaries be created by this Addendum.
- 2. If any section, provision, or part of this Addendum shall be found to be invalid or unconstitutional, such finding shall not affect the validity of the Addendum as a whole or any section, provision, or part thereof not found to be invalid or unconstitutional, except to the extent that the original intent of the Addendum cannot be fulfilled.
- 3. All previously executed agreement(s) and or addendum(s) will remain in effect except as amended herein.
- 4. This Addendum, as well as the unaffected provisions of any previous agreement(s), addendum(s), and/or amendment(s); represents the entire Agreement between the LPA and DOT regarding this project. All previously executed agreements will remain in effect except as amended herein. Any subsequent change or modification to the terms of this Agreement will be in the form of a duly executed amendment to this document.

IN WITNESS WHEREOF, each of the parties hereto has executed Addendum No. 2023-16-113B as of the date shown opposite its signature below.

Re: Oak Hill Subdivision Park Name

As we prepare to time of more active use of the park adjacent to the Oak Hill subdivision, I discussed with the Park Board the idea of a name. The Board is recommending to the Council to name the park Oak Hill Park. I am also planning to order a nice sign for the entrance off of Mulberry Drive which was another reason I would appreciate a naming decision. The attached Resolution #53-24 is for consideration on the name.

RESOLUTION #53-24

A RESOLUTION APPROVING THE NAME OF THE NEWLY DEVELOPED PARK ADJACENT TO THE OAK HILL SUBDIVISION IN CITY OF CASCADE

Whereas, the City of Cascade owns parcel #1932326006 that was donated by Mike Beck and Beck Construction for the purpose of parkland adjacent to the Oak Hill subdivision; and,

Whereas, the City has now begun the development of the park with the first phase being the installation of playground equipment, and;

Whereas, the City's Park Board is recommending the name of the park land to be Oak Hill Park; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, that the City Council approves the naming of this parkland as Oak Hill Park.

PASSED, APPROVED AND ADOPTED this 13th day of May, 2024.

Re: Second GIS Employee

As the Council is aware, it was approved to hire one 40-hour summer maintenance employee and a one 8-hour GIS employee. We have both been hired. However, we thought it was likely that only one person, who has experience with the utility, would apply. He did apply and is the one we hired. However, we have another City resident that has utility and GIS experience working in another area municipality. He would also be able to assist us on another day per week this summer. My recommendation is that the person who has worked for us before be the one assigned to work with Marty to get the under ground items located on his day per week. The second person could help with above ground things like curb stops, hydrants etc. This would not require a current employee to go with him. We can also work a different day to be sure they each have access to the reader and locator. I think this is a cost-effective way to get more data into our GIS system as we would like to be able to use it more effectively. That is only possible with data entry. Each employee would be approximately \$2,000 and charged to water and sewer. Resolution #54-24 is in the packet for consideration.

RESOLUTION #54-24

A RESOLUTION APPROVING A SECOND SEASONAL, SUMMER ONE DAY A WEEK GIS TECHNICIAN POSITION FOR THE STREET, WATER AND SEWER DEPARTMENTS BEGINNING MAY 15, 2024 AND ENDING AUGUST 30, 2024 FOR THE CITY OF CASCADE, IOWA

Whereas, the City Water and Sewer Utilities have a Geographic Information System (GIS) mapping system that is not well populated with data, and;

Whereas, the City wants to increase the amount of data in the system from those long term employees that have knowledge of the data not yet inputted, and;

Whereas, the City previously approved a one-day per week GIS Summer Technician in Resolution #27-24; and,

Whereas, the City received applications from two qualified candidates and in both cases if two were hired, each would work only one day per week.

Now therefore be it resolved that the City Council of the City of Cascade authorizes the hiring of a second one-day per week seasonal GIS employee at \$20 per hour for the period of May 15-August 30, 2024.

PASSED AND APPROVED	this 13" day of May, 2024.

Date: May 10, 2024 Re: Interfund Transfers

In April the Council approved several interfund transfers. There are two more that were part of the approved FY24 budget that we still need to ask for Council consideration. The Resolution outlines the two transfers. See Resolution #55-24 and the Exhibit A Spreadsheet.

RESOLUTION #55-24

A RESOLUTION AUTHORIZING THE CITY CLERK TO TRANSFER FUNDS FOR FISCAL YEAR 2024 FOR THE BENEFITS LEVY AND OTHER INTERNAL TRANSFERS FOR THE CITY OF CASCADE, IOWA

WHEREAS, the City Council adopted the Fiscal Year 2024 budget with a number of transfers to allocate funds for the Debt obligations and between various funds; and

WHEREAS, the City Council desires to direct the City Clerk to perform these transfers prior to final budget amendments are considered in May of 2024; and

WHEREAS, the City Council previously approved a number of transfers in Resolution #46-24; and,

WHEREAS, a summary of the planned transfers is attached as Exhibit A.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Cascade, Iowa, that:

Section I. That the City Council approves the transfers from Local Option Sales Tax Fund 121 and Employee Benefits Fund 112 to use for General Fund expenses such as employee benefits and storm water improvements in the City of Cascade, Iowa.

Section II. That the City Council approves the transfers to move funds internally between various City Funds.

Section III. That the City Clerk is hereby authorized and directed to execute these transfers listed in Exhibit A on behalf of the City of Cascade, Iowa.

PASSED AND APPROVED this 13th day of May, 2024.

Re: Library Change Orders

As promised, I said that I wanted to regularly review things that we have needed to change for the library construction. The Garling Construction price includes \$75,000 in contingency or dollars that can be used for changes. I have asked FEH to summarize the changes we have made so far and want the Council's input and approval on how we want to handle the changes. One idea is we just keep working within the \$75,000 and not change the contract price. A second idea is to take the two changes that are more street and utility issues and pull those out as separate and leave the \$75,000 for more items that are truly connected to the library. Some items we have prices for, some prices are still forthcoming. My recommendation would be to keep the library items with the \$75,000. That would mean that the \$9,328.44 would be separated and the resurfacing of the alley, cost pending, would also be separate. The memo from FEH is included. With the six items that have prices that we have so far we are at a positive \$11,831.17, meaning we have used that amount from the \$75,000. If we take out the improvements to the Pierce Street catch basin, which really isn't due to the library construction, we would be at a positive \$2,502.73. Resolution #56-24 approves all changes and then we can fill in if the Council wants to include all changes in the \$75,000 or just those associated with the library.

RESOLUTION #93-23

RESOLUTION APPROVING CHANGES TO THE FROM GARLING CONSTRUCTION INC CONSTRUCTION CONTRACT FOR THE NEW CASCADE PUBLIC LIBRARY

WHEREAS, the City Council of the City of Cascade, Iowa, approved a construction contract with Garling Construction Inc to construct the Cascade Public Library and Community Center in Resolution #96-23; and,

WHEREAS, there is a contingency fund of \$75,000 built into the contract price; and,

WHEREAS, the first list of changes is attached as Exhibit A and totala net increase in the amount of \$11,831.17; and,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CASCADE, IOWA, as follows:

That the first changes to the Public Library construction	ction contract are approved as listed on		
Exhibit A. The total amount ofsh	all come from the \$75,000 contingency and		
the remainder ofshall be an amend	ment to the original contract totaling		
\$2,923,000. The Mayor and City Clerk are authorized	zed to sign and execute the contract.		
PASSED AND APPROVED this 13 th day of May, 2024.

Resolution #56-24

951 MAIN STRE**EXHIBIT A** DUBUQUE, IOWA 52001

563 583 4900

MEMO - CASCADE PUBLIC LIBRARY COST ITEMS

Manager of the latest	The state of the s
DATE	9 May 2024
DESCRIPTION	Cost Considerations
PROJECT NAME	Cascade Public Library
FEH PROJECT NUMBER	2021310
PROJECT ADDRESS	108 Second Ave SW, Cascade, IA 52033
COMPANY	City of Cascade
ATTENTION	City Council
	320 1st Avenue W, Cascade, IA 52033

Construction has begun on the Cascade Public Library! The project has been able to achieve some efficiencies during construction, but revisions were requested by the state code official and poor soils were identified by the geotechnical engineer that required removal and replacement which had cost impacts.

Below is the list of credits and costs related to the project, for your review and input. The project includes a contingency allowance of \$75,000, for use at the Owner's discretion. The costs below can either impact the project contract amount with the general contractor, or these can impact the contingency allowance.

We are seeking input from the council on which of the above costs are contingency allowance items and which are charge order items that impact the project contract amount.

Red Sands Brick Substitution Credit	-\$4,573.00	Opportunities of Economies
Reduction in Full Height Cavity Mortar Control	-\$7,656.00	Opportunities of Economies
Ceiling Baffle Revisions by Code Review	-\$685.00	Official Required
State Code Review Revisions • Fire Rated Egress Corridor Details • ADA Door into Silo	\$14,950.85	Official Required
Existing Storm and Sewer Items	\$9,328.44	Unforeseen Conditions
Resurfacing of Alley	Pending Cost	Owner Directed Design Change
Key Fobs in lieu of Key Cards	\$465.88	Owner Directed Design Change
Parking lot Overexcavation	Pending Cost	Unforeseen Conditions
Building Slab and Footing Overexcavation	Pending Cost	Unforeseen Conditions
Door Hardware Revisions	Pending Credit	Owner Directed Design Change
Net Total	\$11,831.17

Re: FY 24 Budget Amendments

At packet time we are still finalizing the public hearing notice. I am going to send the final recommended ad on Monday in a separate email. We will go over the increases at the meeting.

The City Council must amend the budget prior to May 30 according to State Code if expenses are to go over what was planned in March 2023. The first step is to consider a resolution that sets the public hearing date. The draft resolution sets the hearing for the next regular City Council meeting on May 28. The draft hearing notice is also in the packet and lists the reason for the proposed amendment. There are reasons for increases and decreases in almost all categories.

Public Safety \$ increase Changes in Ambulance Service, wages, the move, the consultant

Public Works \$ increase

Street Sweeper Purchase

Culture and Recreation \$ Increase

Gazebo Payment and Playground at Oak Hill

General Government \$

Salary and Benefits of Additional Position and Insurance Increases

Debt Service \$

Sweeper Payment

Enterprise Funds \$ Increase

Increased Operational Expenses

RESOLUTION #50-24

A RESOLUTION SETTING A PUBLIC HEARING DATE FOR MAY 28, 2024 TO APPROVE THE FY 2024 BUDGET AMENDMENT

WHEREAS, the City Council must hold a public hearing and pass a resolution approving the budget amendment for the FY 2024 fiscal year.

NOW, THEREFORE, BE IT RESOLVED, that the City of Cascade, City Council will conduct a public hearing on the above on the 28th day of May, 2024 at the hour of 6:00 pm in the Cascade City Hall, 320 1st Avenue W., Cascade, Iowa, 52033, and the City Council understands that said hearing notice, attached as Exhibit A, will be published on May 15, 2024 in the Cascade Pioneer newspaper in Cascade, Iowa, in conformance with the City Code and Iowa State Law.

PASSED AND APPROVED this 13th day of May, 2024.
